

NEW! 2013 State Building Codes and 2014 Los Angeles County Fire Code in Effect

Effective January 2, 2014, all submittals to the City of Covina Building and Safety Section must meet the 2013 California State Building Codes and the 2014 Los Angeles County Fire Code. For more information, please visit the California State Building Standards Commission website by clicking [HERE](#).

Mission Statement

The Building and Safety Section provides plan review, inspection and investigative services to advance public safety in the built environment through collaborative and community partnerships which result in safe, accessible, and sustainable structures.
